RENSON POWDERS

- Renson keeps a wide range of the most common powders in stock. These powders are classified in powder category A and are listed in this colour guide. Powder category X includes most other powders. These were not included in this catalogue, but can be found in the online ordering platform RIO. There is always a surcharge for powders from category X. Surcharges can be obtained on request for powders that are not included in RIO.
- Powders can be added or removed from category A annually.
